THE TEAM SHOW

Donghua Electric Stock Co.,Ltd. of Zhejiang established in 1985; A professional manufacturer in designing, producing and saling high and low voltage electrical products; Located in Dongfeng Industrial zone, Liushi, Wenzhou-a beautiful and affluent coast of the East China Sea. Our factory space is about 50,000 square meters, with a superior geographical positon and a convenient traffic. We own Switching Power Supply manufacturing company; Electronic manufacturing company and Current Transformer manufacturing company, sperately producing switching power supply; LED light; isolator switch; fuse-switch; current transformer; high voltage metering box, etc. We have more than 1,300 sets equipments for designing, manufacturing and inspection; possessing an independent product design, manufacturing, inspection, marketing ability and an advanced modern enterprise management.
